

COME VISIT OUR DISTILLERY

45TH

PARALLEL
DISTILLERY

TOUR * LEARN * SAMPLE

Discover distilling and learn about the production of Vodka, Gin, Bourbon, and other Whiskeys!

We invite you to visit the 45th Parallel distillery. We employ a unique grain-to-bottle process to create our spirits using only locally-grown grains. This has also helped us become Wisconsin's largest whiskey producer.

Less than three years in production, 45th Parallel Vodka has received Spirit Journal's top vodka ranking two years in a row. Come see how we do it!

SAMPLE OUR PRODUCTS

STORE HOURS:

Stop by the distillery during our regular business hours to purchase or sample our products and watch the daily process of making our spirits.
